Warren Pushes for Presidential Divestment Bill

Massachusetts Democratic Sen. Elizabeth Warren announced legislation Thursday that would require President-elect Donald Trump to divest from any financial entanglements that could conflict with his presidential duties.

Biden, Bill Clinton to speak at John Glenn Service

Former senator, presidential candidate and space pioneer John Glenn will receive a grand, two-day memorial service in Columbus, Ohio, this weekend.

Lawmakers Push to Include Digital in Infrastructure Plans

As rebuilding the country's infrastructure looks to be an area President-elect Donald Trump and Democrats can agree on, lawmakers from both parties are trying to make sure the conversation includes digital infrastructure.

Pro-Gun Control Democrats Prep for Trump, GOP Congress

Democrats pressing for legislation to address gun violence are reassessing their strategy after a year in which they staged high-visibility demonstrations in the House and Senate to demand action.

Trump's Dispute With CIA Puts Pompeo in a Bind

In the extraordinary public dispute between Donald Trump and the CIA, one man finds himself in a particularly tricky position: the president-elect's nominee to lead the agency, Rep. Mike Pompeo.
